Everybody's Talking

Fainting canine: Emma Clayton and Oliver Broomhead of Sheffield, England, have a unique dog in their family. The cocker spaniel named Peter has a rare condition in which his muscles tense up, causing him to fall over. This happens when he gets excited about something, such as chasing ducks and squirrels. The couple has taken the dog to many veterinarians and animal specialists, but the condition continues to be a mystery. They assure onlookers who witness Peter's fainting spells that he does not appear to be in any pain, and that he comes out of it just fine, with tail wagging.

Wacky car rentals: When people rent vehicles or use a car-sharing service, the logical reason for doing so is to travel from one location to another. However, car rental agencies in Japan found that some customers were putting very little mileage on their rented car, and they wanted to find out why. It turns out that people have many more reasons for renting a vehicle than simply driving somewhere. Renters were using vehicles to take a nap, eat lunch, get work done on their laptops, or make phone calls. They do so because car rentals are usually affordable and provide a quiet space.

Odd name: A couple from Indonesia gave their baby boy a unique and unusual name: Google. Parents Andi Cahya Saputra and Ella Karina decided to give their child a technology-related name with the idea that he would grow up helping others. At first, their friends and relatives wondered about the decision, some thinking that the couple's hidden agenda was to get compensation from the technology giant. However, that was not the case, and the name eventually started to grow on their friends. Baby Google does not have a middle or surname.

Good-looking goat: Who would have thought that a good-looking goat could garner widespread attention? That's what happened when Ahmad M Fadzir of Perak, Malaysia, posted photos of his newly purchased goat, Ramos, on social media. The goat is so cute, with his goatee beard and blond bangs, that the photos went viral. Ramos seems to love being a celebrity and even appears to pose for the camera with a smile on his face. A few people asked Fadzir if he would sell Ramos, but he declined. Instead, he offered them another goat from his herd.

On the Lighter Side

What's the difference between ignorance and apathy? I don't know and I don't care.

I tried to say, "I'm a functional adult," but my phone changed it to "fictional adult," and I feel like that's more accurate.

Recording on a tax help line: *If you understand English, press 1. If you do not understand English, press 2.*

I have cities, but no houses. I have mountains, but no trees. I have water, but no fish. What am I? A map.

Nothing ruins a Friday more than an understanding that today is Tuesday.

Recipe of the month

Basil & Tomato Feta Bruschetta

1 baguette (450 g), cut into 36 slices	½ cup finely chopped red onions
2 Tbsp. olive oil, divided	3 Tbsp. chopped fresh basil
5 plum tomatoes (1 lb./450 g), chopped	1 Tbsp. chopped black olives
1 cup crumbled herb & garlic feta cheese	1/4 tsp. pepper

Level: Easy Total Time: 20 mins Yield: 36 servings

- Heat broiler.
- Place bread slices in single layer on baking sheet. Broil 2 to 3 min. on each side or until lightly toasted on both sides. Brush evenly with 1 Tbsp. oil.
- Combine remaining oil with remaining ingredients; spoon onto toast slices just before serving.

Storage Know-How: Store ripe tomatoes, stem side down, at room temperature away from direct sunlight. For best results, use within a few days of purchase. Do not store whole uncut tomatoes in the refrigerator as this will result in loss of flavour.
