Everybody's Talking

Noisy neighbours The new neighbours of Dominique Douthe, who lives in the Landes region of southwestern France, are very annoyed. They don't like the racket made by the flock of ducks and geese Douthe keeps in her back garden, so they took her to court. The judge on the case said the flock could stay, but asked for more information, including an acoustic audit to scientifically test the level of noise. Douthe's lawyer thinks that the judge is buying time and hoping the two parties will work things out between them.

Scaring monkeys Farmers in India worry about their crops being ruined by bands of monkeys. But Srikanth Gowda, a farmer in Karnataka, has found a way to solve the problem: he dyed his dog's hair to look like a tiger's stripes. When the monkeys caught sight of the dog, named Bulbul, near the coffee crop, they ran away. Before taking this action, Gowda had tried stuffed tigers, which worked for a while, and then the monkeys caught on. Now, Gowda uses his tiger dog, along with large pictures of tigers, to keep the monkeys away.

Unique cheese A creamy delicious cheese made in Sweden is called Västerbottensost. Well-loved by many, this cheese is made in the village of Burträsk, in the northeastern part of the country. Interestingly, Burträsk is the only place where this cheese can be properly made. The dairy tried to expand its production of Västerbottensost to other locations in Sweden, but the cheese crafted elsewhere didn't taste the same. Many legends and rumours explain why this is so, but no one actually knows, so the mystery remains.

To the rescue A dog and koala bear were rescued from a mine shaft near Ipswich in Queensland, Australia, by emergency services personnel, who were called to the scene by the dog's owner. The owner thought her pooch might have been chasing the koala when both fell into the derelict shaft. The team of rescuers couldn't go down the shaft due to the danger, so they used ropes and safety nets. The dog responded well, but the koala didn't cooperate as readily, and it took extra effort to get him out. Veterinarians checked both animals, and neither had any broken bones.

Recipe of the month

Apple Ladybug Treats

- 2 red apples
- 1/4 cup raisins
- 1 tablespoon peanut butter
- 8 thin pretzel sticks

Prep: 10 mins. Ready In: 10 mins Level: Easy

- 1 Slice apples in half from top to bottom and scoop out the cores using a knife or melon baller. If you have an apple corer, core them first, then slice. Place each apple half flat side down on a small plate.
- 2 Dab peanut butter on to the back of the "lady bug," then stick raisins onto the dabs for spots. Use this method to make eyes, too. Stick one end of each pretzel stick into a raisin, then press the other end into the apples to make antennae.
