Recipe of the month

Apple Ladybug Treats

2 red apples 1 tablespoon peanut butter
1/4 cup raisins 8 thin pretzel sticks

Prep: 10 mins. Ready In: 10 mins Level: Easy

- 1 Slice apples in half from top to bottom and scoop out the cores using a knife or melon baller. If you have an apple corer, core them first, then slice. Place each apple half flat side down on a small plate.
- 2 Dab peanut butter on to the back of the "lady bug," then stick raisins onto the dabs for spots. Use this method to make eyes, too. Stick one end of each pretzel stick into a raisin, then press the other end into the apples to make antennae.

Everybody's Talking

No privacy A hotel proprietor in Fukuoka, Japan, is banking on making money in a unique way. Tetsuya Inoue runs Asahi Ryokan, and he wants to boost business. So he decided to allow people to pay a mere 100 per night to stay at the hotel, provided they agree to be livestreamed during their stay. The livestreaming does not include audio, and the bathrooms do not have cameras. Inoue hopes that enough viewers will be interested in watching people give up their privacy that social media hits will rise, thereby allowing ads to be shown on the channel, allowing him to make money.

Needed a friend An elderly man from Chichester, West Sussex, England, should be enjoying his retirement years. Instead, Ian Hemmens is spending a few months in prison. A pair of criminals convinced Hemmens, who once worked as a burger van driver, to be their driver as they committed crimes. The gentleman's lawyer said Hemmens didn't realize that the criminals only wanted his services because his advanced age was a perfect cover. The lawyer also said that Hemmens was simply lonely and wanted someone to talk to. Unfortunately for Hemmens, the judge didn't buy either argument.

Unicorn cafe People who have a love of the unicorns can visit a café designed to honor these fictional animals. Located in the Silom area of Bangkok, Thailand, the Unicorn Café offers a multi-colored, magical experience. The place is full of stuffed unicorns of all sizes and colors, and the furnishings come in pastel hues. The food lives up to the theme. For example, guests can order Rainbow Spaghetti Carbonara and a fruit beverage, and then they end the meal with waffles covered by colorful ice cream and sprinkles. To top it off, guests can pretend to be a unicorn by donning a unicorn onesie provided during the visit.

Wandering bull It looks like a Croatian bull named Jerry will not end up on anyone's dinner plate. Jerry had been waiting to meet his demise when he somehow escaped from the corral and ran into the woods. Later, some local people saw him on a hill, but the 295-kilogram (650-lb.) bovine ran away again. With his owner, police, and even a drone operator searching for him, word got out, and local people started looking for him. Since Jerry has managed to evade capture, his owner says that, if found, he will make sure Jerry lives to enjoy a long life because he has earned it.
