**Everybody's Talking**

**Well-dressed:** James Maina Mwangi of Nairobi, Kenya, came from a poor family and didn't have very many clothes as a child. Eventually, he was able to earn money as a handyman, and he started to buy interesting clothes to match his flamboyant style. Today, he can be seen on the city's streets in suits of different colours, all with matching accessories. For example, if he decides to wear a bright blue suit, he wears a tie, hat, watchband, eyeglasses, and shoes that all match. On other days, he may be dressed in pink, yellow, red plaid, or black and white. During the pandemic, he even finds facemasks to match!

**Bird sport:** A sport in Belgium involves birds, but very little activity. It's called vinkenspot, which translates as "finch sitting" in English. In vinkensport, competitors sit in front of cages that contain one male chaffinch (a member of the finch family). These birds sing, and their owners keep track of the number of times their bird makes a complete bird call. A distinctive "sus-k-e-wiet" marks the end of each call. The competitor whose chaffinch makes the most calls in an hour is the winner. The sport is known to have cheaters; once, a competitor put a CD player in the box instead of a bird.

**Pie queen:** A baker from Seattle, Washington (U.S.), has become a pie-baking celebrity. Lauren Ko once worked as an executive assistant in education, but now she bakes pies with such intricate geometric designs that people flock to see her creations. Grandma's pies may have tasted delicious, but Ko's work also appeals to the eye. One blueberry pie, dubbed "flour power," uses dozens of six-sided dough bits to hold blue petals. Others feature swirls of food-coloured dough strands or shapes that are formed into unbelievable patterns. The resulting pies are almost too incredible to eat!

**Much ado about nothing:** Some people may wonder what the social media world is coming to after they hear about a video posted by Muhammad Didi of Indonesia. The young man decided to post a video of himself doing absolutely nothing. He shows himself sitting on a couch and staring into the camera for over two hours! He meant to record himself doing nothing for only five or 10 minutes, but after he started, he kept going. The weird thing is that the video has garnered hundreds of thousands of views and has motivated other people to do the same thing for even longer periods of time.

**Quoteable Quotes**

—John Fitzgerald Kennedy

"Statues and pictures and verse may be grand, but they are not the Life for which they stand."  
—James Thomson

**Balsamic Watermelon Chicken Salad**

1 cup balsamic vinegar    1 tablespoons olive oil  
1 lb. boneless skinless chicken breasts    4 cups baby spinach or greens  
3 teaspoons all purpose seasoning    2 cups cubed watermelon  
1/2 cup blue cheese crumbles  
1/4 cup sliced or crushed almonds

Prep Time: 10 mins. Cook time: 30 mins. Yield: 4 servings

- 1 Pour the balsamic vinegar into a small saucepan and bring to a boil. Reduce heat and simmer for 15-20 minutes until the balsamic vinegar is significantly reduced and starting to become syrupy.
- 2 Meanwhile, turn a grill or nonstick skillet to high heat. Sprinkle the chicken with the seasoning on both sides and drizzle with the olive oil. Transfer to the hot grill and cook until no longer pink on the inside and nicely browned on the outside. Let rest for 5 minutes; cut into small cubes.
- 3 Layer the spinach with the chicken, watermelon, blue cheese, almonds, and drizzle with the balsamic reduction to taste. Top with additional olive oil if desired.

## Did You Know...

**Long history:** The Volkswagen Beetle, still on the roads today, is an iconic vehicle that dates back to 1938. Designed by Ferdinand Porsche, the Beetle was first built in Germany and came to North America in the 1950s.

**Fun partnership:** People from hometowns with dreary names can either laugh or cry. The folks in Boring, Oregon (U.S.), Dull, Perthshire (Scotland), and Bland, New South Wales (Australia), are choosing to jointly promote tourism as "The League of Extraordinary Communities."

**Easy access:** Japan has the highest number of vending machines in the world, with one for every 23 to 25 residents. They can be found in urban and rural areas, and play an integral role in the country's culture.

**Pizzly bear:** Most people know about grizzly bears and polar bears, but there is also a pizzly bear, the offspring of a polar bear and grizzly bear. They also are known as grolar bears and the *nanulak*, after the Inuit *nanuk* (polar bear) and *aklak* (grizzly bear).

**More words:** It's no wonder an English dictionary is so thick: the English language is believed to have the largest lexicon, or number of words, of any European language. That's due in part to accommodating so many foreign words.

## On the Lighter Side

Many directors of today's comedies must be inspired by the old, silent movies. A scene is supposed to be funny, but the audience doesn't make a sound.

What's black and white and eats like a horse? A zebra.

If you had one match to light a kerosene lamp, fireplace, and wood-burning stove, which do you light first? The match.

What goes up but never comes down? Your age.

One worm to another: "Follow me. I know a restaurant where we can eat dirt cheap."

### Answers

**Trivia answers:** 1. False 2. Lactrinal glands 3. Theatre box 4. Toni Morrison 5. 1896
