### Balsamic Watermelon Chicken Salad

1 cup balsamic vinegar | 1 tablespoons olive oil  
 1 lb. boneless skinless chicken breasts | 4 cups baby spinach or greens  
 3 teaspoons all purpose seasoning | 2 cups cubed watermelon  
 | 1/2 cup blue cheese crumbles  
 | 1/4 cup sliced or crushed almonds

Prep Time: 10 mins. Cook time: 30 mins. Yield: 4 servings

- Pour the balsamic vinegar into a small saucepan and bring to a boil. Reduce heat and simmer for 15-20 minutes until the balsamic vinegar is significantly reduced and starting to become syrupy.
- Meanwhile, turn a grill or nonstick skillet to high heat. Sprinkle the chicken with the seasoning on both sides and drizzle with the olive oil. Transfer to the hot grill and cook until no longer pink on the inside and nicely browned on the outside. Let rest for 5 minutes; cut into small cubes.
- Layer the spinach with the chicken, watermelon, blue cheese, almonds, and drizzle with the balsamic reduction to taste. Top with additional olive oil if desired.

## Everybody's Talking

**Scenery swap:** With the COVID-19 pandemic slowing down world travel, people grew tired of the views from their own windows. With that in mind, Sonali Ranjit and Vaishnav Balasubramaniam, a couple from Singapore, created "WindowSwap." This website encourages people from around the world to submit short videos of the views from their windows. Visitors to the site can look at views from abodes in far-off cities and towns, and they can upload their own to share. Viewers can see a wide variety of scenes, from mountains to city streets, and from rainy backyard gardens to seaside views. Watching the windows can be mesmerizing!

**Camel comes home:** There are stories of dogs and cats coming home after being lost or given away, but it's rare to hear about a camel doing something similar. That's what happened in North China's Inner Mongolia Autonomous Region. The camel's owner, Temur, sold his camel to a friend who lived 100 kilometres (62 mi.) away. After spending the winter in his new home, the camel ran away, eventually finding its way through desert and mountains to its old home. Temur and his wife were moved to see the animal's devotion, so they arranged to keep it. They sent a younger camel to the new owner as a replacement.

**Away from home:** When thinking about wallabies, Australia and Tasmania come to mind. However, France should be included. That's because a colony of wallabies lives in the forest near Rambouillet, west of Paris. About 150 of the creatures have lived there for over 40 years. Ancestors of the current colony escaped from a zoological reserve in the 1970s. While some were caught, others found a home in the forest and have been living in the wild ever since. Authorities have even posted road signs with pictures of wallabies, so drivers would be aware of their presence.

**Makeup madness:** Elliot Joseph Rentz (a.k.a. Alexis Stone) of London, England, is a makeup artist with incredible talent. He has worked with many famous people, but he also likes to work on himself. He uses makeup to transform himself to look like celebrities, and then he posts photos on social media. For his temporary transformations, he uses makeup and costuming items, such as wigs, jewelry, and false eyelashes. He has made himself resemble Kevin from Home Alone, Dumbledore from Harry Potter, Leonardo DiCaprio, and Billie Eilish, to name just a few.

## Did You Know...

**Strange proposal:** In ancient Greece, a woman received a declaration of love from a man in a very unusual way. He would throw an apple at her because apples were considered sacred to Aphrodite, the ancient Greek goddess of love.

**Pirates' jewelry:** One common theory about why pirates wore earrings is that the gold and silver jewelry were a form of currency. If a pirate drowned and washed up on shore, the earrings served as payment for burial.

**Sing along:** Karaoke is a Japanese word that means "empty orchestra" and is believed to have originated in that country. When a performer didn't show up, a café owner played recorded music and invited customers to sing along.

**Small babies:** At birth, a baby panda is extremely small, weighing only about 3.5 ounces (100 grams). No one can figure out why the new arrival is about 900 times smaller than its mother. Kangaroos have similar weight differences at birth.

**Slow down:** Walter Arnold just needed to slow down. He was going 8 mph in Paddock Wood, Kent, England, on January 28, 1896. He received what is believed to be the world's first speeding ticket. The speed limit was 2 mph.
