**Everybody's Talking**

**Careful preparation:** In many countries, it is illegal to sell and cook a poisonous mushroom called the false morel (*Gyromitra esculenta*). However, despite the dangers of consuming this mushroom, people in Finland love them. False morels contain a toxin that causes illness. But in Finland, there are strict rules regarding their preparation, and they are legal to sell. For example, cooks must take a series of steps, including rinsing, boiling, and draining, after which these steps must be repeated. All this must be done in a ventilated room to avoid inhalation of the fumes.

**View from above:** Sports fans in Poland came up with a novel way to watch their favourite event, despite the social distancing required during the COVID-19 pandemic. The sport was motorbike racing, and the location was the Stadion Zuzlowy in the town of Lubin. Only a few spectators were allowed into the stadium, so some fans decided to rent construction cranes to watch events. The fad started with three cranes at the first race of the season, but it was such a popular idea that by the third race, there were 21, each holding two to four fans.

**Slithering pets:** Choosing a pet is usually not difficult. People usually pick a poodle or a kitten, or even a parrot, as a new family member. However, a teenage girl from Purworejo, Central Java, Indonesia, keeps six pythons as pets. Chalwa Ismah Kamal has no fear of the big snakes as she plays and cuddles with them. She even bathes them. Her younger brother likes them, too. The 14-year-old received attention for her strange pets after she posted some videos on social media, where thousands of people have viewed them. Some viewers express concern, but she explains there is nothing to fear because her pets are tame.

**Rare road:** a highway off-ramp runs right through it. The Gate Tower Building and its highway ramp were completed in the early 1990s. The employees working in the building don't have to worry about excess traffic noise because noise-proof walls and floors were used in the construction. Plus, the off-ramp doesn't actually touch the building. Visitors to the building will notice that the elevator doesn't stop at floors five, six, or seven because these floors provide the space for the road.

**The Joker:** Depending on the game, having a Joker card is a good thing. But the Joker wasn't always in a deck. It was introduced in the 1860s when American card players decided to add an extra "Best Bower" card to the game of Euchre.

**Cactus rules:** People in Arizona (U.S.) with a Saguaro cactus on their property can't cut it down without permission from the Arizona Department of Agriculture. If they do so, a 25-year jail sentence could result.

College student: "I'm going to major in political science and clean up the mess in the world."

Parent: "You can start with the mess in your room."

How do you confuse a frog? Put it in a round bowl and tell it to take a nap in the corner. How does a frog confuse you? He comes out and says he feels much better after that nap.

Golf caddy: "I wouldn't say you're the worst golfer I've seen on this course, but I've seen places today that I've never seen before."

**Balsamic Watermelon Chicken Salad**

- |   |                                   |
|---|-----------------------------------|
| 1 cup balsamic vinegar                  | 1 tablespoons olive oil           |
| 1 lb. boneless skinless chicken breasts | 4 cups baby spinach or greens     |
| 3 teaspoons all purpose seasoning       | 2 cups cubed watermelon           |
|   | 1/2 cup blue cheese crumbles      |
|   | 1/4 cup sliced or crushed almonds |

Prep Time: 10 mins. Cook time: 30 mins. Yield: 4 servings

- 1 Pour the balsamic vinegar into a small saucepan and bring to a boil. Reduce heat and simmer for 15-20 minutes until the balsamic vinegar is significantly reduced and starting to become syrupy.
- 2 Meanwhile, turn a grill or nonstick skillet to high heat. Sprinkle the chicken with the seasoning on both sides and drizzle with the olive oil. Transfer to the hot grill and cook until no longer pink on the inside and nicely browned on the outside. Let rest for 5 minutes; cut into small cubes.
- 3 Layer the spinach with the chicken, watermelon, blue cheese, almonds, and drizzle with the balsamic reduction to taste. Top with additional olive oil if desired.
