**YOUR FRONT LINE REALTOR**

"Gloria was excellent to work with...always available to answer any questions we had. Living in Alberta and trying to coordinate the sale of my mother's condo was not an easy undertaking. Gloria was there for every step of the process, keeping my sister and I in the loop. She was patient, compassionate, calm, and able to effectively communicate with my aging mother. It was because of her dedication and passion for helping and assisting seniors that we sold the property quickly and efficiently. Thank you, Gloria, for all your support, we were happy to have you on our team!" ~ Julie O.

**Everybody's Talking**

**Vintage look:** Mila Povoroznyuk, a young woman from Vinnytsia, Ukraine, has long been interested in women's clothing from the late 1800s and early 1900s. Now she has turned that interest into an everyday thing by always wearing vintage clothing from that era. She started by occasionally wearing the clothes, but she soon found herself feeling more comfortable and confident in the old styles. She sews some of the items herself and finds other pieces in secondhand stores. The clothes include long dresses, corsets, and elegant hats. Many modern folks must be interested in vintage fashions because her social media account has thousands of followers.

**Glowing tattoos:** Those who want to get a tattoo, but want to be discreet about it, might consider being inked with a black light tattoo. While not immediately invisible, the tattoo will eventually fade so that it can only be seen in UV light. They'll glow nicely at a rave dance party where black lights are featured, but the colors will be hidden from work associates the next day at the office. Some people add UV paint to a regular tattoo, while others may choose a tattoo that is drawn completely with UV paint. Experienced tattoo artists should be chosen for the work because the UV tattoo paint is harder to work with than normal paint.

**Doting on deer:** Deer are revered animals in Japan, and to prove it, a beautiful event takes place on winter mornings in Nara Park in Nara, south of Kyoto. Over 1,000 tame deer live in the park, and they enjoy interacting with the many tourists who come to see them. The best time to view the deer is during the event called Shikayose, which means "deer-gathering." That's when a French horn player stands in the middle of the park and plays Beethoven's Sixth Symphony. Hearing the music, the deer come from all corners of the park to obtain the acorns offered to them.

**Hidden station:** The city of Toronto, Ontario (Canada), has a subway system that commuters regularly use. It has a hidden and now-abandoned section that was only used for six months in 1966, called the Lower Bay Station. This sits underneath the Bay Station on the city's Yonge-University subway line. When it was built, planners had hoped to have a useful addition to the line, but instead it became an awkward loop. Now, Lower Bay Station is inaccessible to the public because the entrances have been bricked over. There are unmarked doors to this mysterious underground place, which is occasionally used for training purposes and film shoots.

## Did You Know...

**Glassy finish:** Tempered glass is known as safety glass. This heat-treated glass becomes much stronger than what is used in most windows of houses. Tempered glass breaks into oval pebbles, rather than sharp shards. Car rear windows are a good example of its use.

**Sharing a kiss:** The first actors to kiss on film were May Irwin and John Rice in a silent movie made by Thomas Edison in 1896. Called *The Kiss*, the film lasted for only about 20 seconds.

**Rare beast:** Due to a genetic mutation, a white tiger has white fur instead of the usual orange. Extremely rare in the wild, the white variety is a type of Bengal tiger that lives in Asian countries, such as India and China.

**Strike!** In the game of 10-pin bowling, players use a heavy ball with three finger holes. This game was developed in the U.S. In 5-pin bowling, which was invented in Canada, players use smaller balls that fit in the hand. There is no need for finger holes.

**Onion tears:** Slicing onions can make anyone cry. This happens because onions, when cut, release a chemical called syn-Propanethial S-oxide. When its gases float to the eye, the tear ducts work hard to get rid of the irritant.

**Recipe of the month**

**Creamy Ham and Potato Soup**

4 strips of bacon  
1/2 cup onion, finely chopped  
4 medium potatoes, peeled and diced (about 3 cups)  
3 tablespoons all-purpose flour  
4 cups chicken broth (or 2 tablespoons chicken bouillon powder + 4 cups water)

1 + 1/2 cups cooked ham, cut into 1/2-inch cubes  
1 cup frozen corn  
1/2 cup heavy cream  
1/2 teaspoon ground black pepper salt (to taste)  
1 teaspoon fresh parsley, finely chopped

Prep Time: 5 mins. Cook Time: 20 mins. Yield: 4-6 servings

- Sauté bacon in a large stockpot or Dutch oven over medium high heat (no cooking oil needed) until crisp, about 3-4 minutes. Set the bacon aside on a plate.
- Add onion and potatoes and sauté for 1-2 minutes until fragrant. Stir in flour and mix well to combine until flour is fully incorporated. Stir in chicken broth and mix until the soup is smooth and uniform. Bring the soup to a boil over medium high heat. Cover and let it continue to boil for 10-15 minutes until potatoes are fork tender.
- Mash half of the potatoes in the pot with a potato masher or blend with a hand-held immersion blender.
- Stir in ham, corn, heavy cream and black pepper. Let the soup simmer over medium heat and whisk occasionally until thickened to a desired consistency, about 5 minutes. If the chowder gets too thick, add a little bit more water to dilute it. Add salt to taste.
- Serve warm; top with crispy bacon and fresh parsley.
