Everybody's Talking

Loyal pet: A little white dog named Boncuk was so loyal that she waited at a hospital all day, every day, for a week, for her owner to recover. Cemal Senturk was admitted to a health facility in Trabzon, a Turkish city on the Black Sea. A security guard confirmed that Boncuk had chased the ambulance carrying Senturk, and that the dog had waited at the door from morning until the sun set. Senturk's daughter tried to take the loyal pet home, but the dog would escape and run back to the hospital's door, poking her head inside. When Boncuk's owner finally was released after a week, the dog and her human had a happy reunion!

Haunting notes: A centuries-old singing method in Scandinavia called kulning involves high-pitched vocalization in minor tones, and is used to call grazing cows to come home. Kulning does not have lyrics and can sound quite haunting and melodic. But don't stand beside someone who is kulning because it is quite loud. The volume is good for the cows, who can hear it from afar. This practice is similar to whistling for a dog – the cows are loyal to the humans who feed them, so they come running when they hear the melancholy notes echoing across the pastures.

Everything chocolate: Chocolate lovers everywhere will have a hard time avoiding a certain attraction in Barcelona, Spain. Museu de la Xocolata (Chocolate Museum) is full of amazing sculptures made out of the sweet stuff, from a chariot driver with his horses, to cartoon figures, to a giant white chocolate ape. The museum strives to teach visitors about the history of chocolate in the country, along with how it is produced and the devices used to make it. There is even an area where people can see chocolate being made, as well as a shop that sells yummy chocolate treats.

Urban Eden: A woman named Wendy Whiteley managed to transform a junky, old, abandoned rail yard into a beautiful botanical wonder. Called Wendy's Secret Garden, her creation looks over Sydney Harbour in Sydney, Australia. For over 25 years, Whiteley has worked on the garden, which started as a way to grieve for her late husband and then her daughter. What was once a weedy, garbage-filled patch of unused land is now a lush patch of shrubs, herbs, paths, secret nooks and crannies, and hidden benches. Today, a couple of employees and some local volunteer gardeners help Whiteley with her work.

Did You Know...

Movie madness: Born in Leytonstone, in East London, England, film director Sir Alfred Hitchcock (1899-1980) was the son of a greengrocer. His interest in films began around 1915. He eventually made such famous movies as *North by Northwest* (1959), *Psycho* (1960), and *The Birds* (1963).

Tired feet: Some furnishings are made for people to rest their feet. For example, an ottoman is a large footstool with padding and upholstery that has a space for storage. A hassock is also upholstered but has no storage space.

Protective armour: The armadillo, a small mammal that lives in North, Central, and South America, has a tough, bony hide that protects it from predators. Looking a bit like armour, the hide is made up of overlapping scales called "scutes."

Long road: The 2,232-kilometre (1,387-mile) Alaska Highway runs from Dawson Creek, British Columbia (Canada), to Delta Junction, Alaska (U.S.). The original highway was built as a supply route for the United States Army during World War II.

Cook it right: The best way to avoid food poisoning from undercooked meat is to use a food thermometer to check the internal temperature. When grilling, for example, chicken breasts should be cooked to 74°C (165° F), while hamburgers should be 71°C (160° F).

On the Lighter Side

Child: "Mom, Arnold broke a window!"
Parent: "How did he do it?"
Child: "I threw a rock at him, and he ducked!"

Why can't a nose be 12 inches long? Because it would be a foot.

Yesterday I saw a guy spill all his Scrabble tiles on the road. I asked him, "What's the word on the street?"

Can February March? No, but April May.

What table doesn't have legs? A multiplication table.

Recipe of the month

Chocolate Covered Strawberry Christmas Trees

12 ounces dark green candy melts
1 pound of strawberries, stems removed
24 Oreo cookies
white icing
sprinkles
candy stars

icing:
2 1/2 cups powdered sugar
3 tablespoons heavy cream
Add water by the teaspoon and whisk until the desired consistency is reached. You want it to be thick like toothpaste.

Prep Time: 15 min. Cook Time: 10 min. Yield: 24

- Set a heat proof bowl over a small pot of simmering water on the stovetop (double boiler). Slowly melt the candy melts in the bowl, stirring occasionally. Do not allow moisture to come in contact with the candy.
- Spoon or pipe a small amount of icing onto the top of each Oreo. This will adhere the strawberry to the cookie base.
- Once candy melts are fully melted, turn the heat to low while you dip the strawberries using a toothpick inserted into the cut end.
- Shake off excess candy coating gently. Using a second toothpick inserted into the pointed end of the dipped strawberry, carefully place the strawberry on top of the icing on the Oreo.
- Decorate with sprinkles and a candy star while the candy coating is still wet. It will usually dry in about 10 minutes.
