Everybody's Talking

Wooden rug: A Spanish artist found a way to use her talent, express her feelings about her difficult upbringing, and provide an interesting and intricate piece to amaze viewers. Selva Aparicio used a wooden floor as her medium. Her finished piece is a rug that she carved into the wood. She calls it "Childhood Memories," and it contains designs that reveal her journey growing up in a chaotic household. The rug carving is elaborate and is complete with fringe on the ends and an overall design that appears to be that of an actual traditional Persian carpet, until the viewer takes a closer look.

Doing nothing: People don't often have jobs doing nothing, but that's exactly what Shoji Morimoto of Japan does, and he gets paid for it. Morimoto himself came up with the idea for the dream job by advertising his services. He offered to make himself available to anyone who wanted company. Since posting his ad in 2018, the married father has been hired about 3,000 times to simply sit and listen to people talk. Or he might stand in a line for someone, accompany the person on a walk, or pose for a photo. Basically, he eases people's loneliness without having to be a friend or even an acquaintance.

Cold spot: To someone living in a warm climate, -50 degrees Celsius (-58 degrees Fahrenheit) is unimaginable. But folks living in Oymyakon, Siberia, Russia, don't even flinch at the thought of that kind of cold. Known as the Pole of Cold, not even children mind the frostiness of this place in the winter. Kids in grades one to five keep going to school, many of them walking from their homes, until the temperature hits -52 degrees Celsius (-61.6 degrees F). At that point, school officials officially close the doors of the learning institution until the mercury creeps back up to a more balmy level.

Gaming costs: If odd charges keep appearing on a credit card bill, the card holder usually assumes they are mistakes, at best, and fraud at worst. But what if the charges were actually being amassed by the card holder's young child? That's exactly what happened to Jessica Johnson of Wilton, Connecticut (U.S.). She didn't realize that her young son was regularly playing a video game and was charging her card when he needed booster packs to play. Johnson called her bank when she started noticing the charges, but the total amount hit more than \$16,000 (USD) before her investigations revealed the culprit.

The Night Before Christmas

A *Coffee News*® poem:

T'was the night before Christmas
and soon, the New Year
So, we offer a wish to the ones we hold dear.
May your blessings be many, and your troubles be few,
May you find much success in all that you do.
To our business friends, sales. Working? Time-and-a-half.
Our accountants, deductions. To our readers, a laugh.
To our food-service friends, a good dinner crowd.
Our working-class heroes, burdens light as a cloud.
To our young friends, some patience. To our busy friends,
To our treasured old folks, even more treasured guests.
To our Mothers, some long overdue appreciation,
To our Dads, a long overdue golf vacation.
We hope that our little brown paper served well
With smiles or rings on cash register bells.
We aim to please and we aim to amuse,
Peace be with you, thanks for enjoying Coffee News®

*Wishing you and your family a
Merry Christmas & Happy New Year!*

Recipe of the month

Chocolate Covered Strawberry Christmas Trees

12 ounces dark green candy melts
1 pound of strawberries, stems removed
24 Oreo cookies
white icing
sprinkles
candy stars

Icing:
2 1/2 cups powdered sugar
3 tablespoons heavy cream
Add water by the teaspoon and whisk until the desired consistency is reached. You want it to be thick like toothpaste.

Prep Time: 15 min. Cook Time: 10 min. Yield: 24

- Set a heat proof bowl over a small pot of simmering water on the stovetop (double boiler). Slowly melt the candy melts in the bowl, stirring occasionally. Do not allow moisture to come in contact with the candy.
- Spoon or pipe a small amount of icing onto the top of each Oreo. This will adhere the strawberry to the cookie base.
- Once candy melts are fully melted, turn the heat to low while you dip the strawberries using a toothpick inserted into the cut end.
- Shake off excess candy coating gently. Using a second toothpick inserted into the pointed end of the dipped strawberry, carefully place the strawberry on top of the icing on the Oreo.
- Decorate with sprinkles and a candy star while the candy coating is still wet. It will usually dry in about 10 minutes.

Did You Know...

One use: A "nonce" word is one that is made up for a specific occasion. One very famous example of a nonce word is "supercalifragilisticexpialidocious," from the Walt Disney film *Mary Poppins*.

Big horn: A buisine was a type of trumpet that was common in Europe in the Middle Ages. These instruments were about two metres (6.56 ft.) long and were used in ceremonies and for military purposes. Eventually, the buisine was used in musical pieces.

Muscle type: A muscle that pulls a limb away from the midline of the body, or away from a neighbouring limb, is called an abductor muscle. For example, abductor muscles are used to spread fingers or toes and to raise arms to the side of the body.

Natural talent: American singer Aretha Franklin, whose hit song "Respect" is well known, could not read music. She taught herself to play piano, and she played by ear.

Not thirsty: People with adipsia don't feel the sensation of being thirsty, even if they are dehydrated, because the thirst centre in the brain has been damaged. Those with adipsia need to train themselves to drink fluids to avoid dehydration.

On the Lighter Side

Ike: Did you hear what happened at the flea circus?
Mike: No, what happened?
Ike: A dog came by and stole the show.

What kind of candies do mummies eat after dinner? Parch mints.

What do you get if you cross a racehorse with a giraffe? Something that wins a lot of races by a neck.

Knock! Knock! *Who's there?* Sofa? *Sofa who?* Sofa, so good.

Did you hear about the girl who went to the beach and baked herself under the hot sun for six hours? She wanted to be the toast of the town.
