Everybody's Talking

Living on water: The Netherlands is known for an engineering ability that makes flood-prone areas livable. Waterbuurt-West is one of those creative ideas. Meaning "water quarter," Waterbuurt is a subdivision of floating homes on Lake Eimer in Amsterdam's IJburg development zone. There are more than 50 of these dwellings, which are actual homes, not houseboats. They won't float away because they are anchored to steel mooring poles; they only move up and down, not sideways, when the tide changes. The material used is light steel and wood, and they have basic but attractive living areas, kitchens, and outdoor patios.

Close call: A man from Sparta, Tennessee (U.S.), almost missed a \$1 million lottery prize. That's because he dropped his ticket while running errands. Nick Slatten had discovered that his ticket was the winner, then he and his fiancée briefly celebrated before he continued with his day. Among his stops was an auto parts store. When he returned home, the ticket was gone. In a frantic search, he revisited every place he'd gone that day. Finally, his luck returned and he found the ticket on the ground in the parking lot of the auto shop. If it had been picked up by anyone else, the finder could have claimed it as their own and won the money.

Flying home: Own a small plane? Want to park it in your driveway? People in the U.S. in this situation could buy a home in one of several hundred airparks. These are subdivisions with a shared runway and wide streets, allowing plane owners to land close to home, then taxi their craft right to their driveway. Some homes may even have hangars instead of garages! Of course, people who live in these fly-in communities must be fairly wealthy, as the property and amenities are quite expensive. However, those who can afford it can hop into their plane and quickly and easily go wherever they'd like, instead of having to fight traffic on the way to a destination.

Fake plate: Why would someone want to make a fake licence plate for a vehicle? Perhaps they lost their actual plates, or maybe they can't afford the insurance. Whatever the case, a man from Brantford, Ontario (Canada), must have had a reason for taking the chance of using fake plates. This man used a diaper box as his raw material. He cut a piece of cardboard to the dimensions of an Ontario licence plate, then he printed out what looked like the markings of a plate, complete with a licence number. Unfortunately for him, he was pulled over by police and taken to task for the forgery.

Your Weekly Horoscope

ARIES
(March 21 - April 20)
 People or circumstances may be causing frustration in your life. The best way to address this is to assess how to use information provided by them to improve your plans. Lucky numbers: 9, 13, 17, 36, 37, 39.

TAURUS
(April 21 - May 21)
 This may be a good time to focus on nurturing yourself rather than focusing on the needs of others. There is the potential for improving your self-confidence and image. Lucky numbers: 15, 18, 22, 33, 43, 47.

GEMINI
(May 22 - June 21)
 There may be a conflict surrounding what you feel your purpose is and how to achieve it. Perhaps scaling back your ambition will lessen any tension you are experiencing now. Lucky numbers: 7, 8, 33, 35, 39, 41.

CANCER
(June 22 - July 22)
 Yours is a sign that often gives priority to others. However, you may now feel that your own needs and ambitions should be the priority. If so, honour those feelings. Lucky numbers: 3, 7, 10, 17, 28, 38.

LEO
(July 23 - Aug. 23)
 Leo sometimes finds it difficult to toe the line to bring projects to completion. Especially right now, you may need to dig deep and put in extra effort to succeed. Lucky numbers: 6, 7, 10, 12, 25, 31.

VIRGO
(Aug. 24 - Sept. 23)
 The new year can provide a blank slate for change. The energy now can take you in several different directions. Choose the path that is most authentic for you. Lucky numbers: 8, 20, 30, 40, 47, 48.

Lucky numbers this week: This week's odds favour Virgo winners with the luckiest number being 47.

LIBRA
(Sept. 24 - Oct. 23)

SCORPIO
(Oct. 24 - Nov. 22)
 You may experience sudden and/or unexpected insights about your professional calling. Any changes that you look to make as a result may take a while, so just be patient. Lucky numbers: 14, 16, 24, 25, 41, 48.

SAGITTARIUS
(Nov. 23 - Dec. 21)
 The circumstances surrounding you may be focused on how you see yourself. If this is true for you, work to strengthen the fire that is the core of your being. Lucky numbers: 23, 29, 34.

CAPRICORN
(Dec. 22 - Jan. 20)
 The astrological environment has a lot of Capricorn energy right now. As a result, you may be restless about one or more areas of your life, including your profession or relationships. Lucky numbers: 10, 12, 25, 29, 35, 36.

AQUARIUS
(Jan. 21 - Feb. 19)
 Your heightened ability to intuitively gather information continues strongly this week. However, be aware of how your feelings over the next few days may colour what you see or hear. Lucky numbers: 2, 3, 7, 36, 41, 46.

PISCES
(Feb. 20 - March 20)
 The end of the week may be focused on a romantic relationship. You may have important insights, but may want to wait a bit before acting on what you learn. Lucky numbers: 3, 8, 14, 21, 22, 35.
