Vol. 19 No. 5 January 31, 2022

Everybody's Talking

Masked bandit: A home in North Ridgeville, Ohio (U.S.), was the site of a masked robbery. The robber was not human, and it didn't steal anything. However, it did make quite a mess. The villain was a raccoon, which had somehow found its way into the home. The owner realized something was amiss after finding the mess, and then discovering the source of the problem. A raccoon was taking a nap in the dishwasher. Police were summoned, and patrolman John Metzo answered the call. Metzo managed to get the animal out of the dishwasher without hurting it, then encouraged the animal to leave the premises. No charges were filed.

Iron shoes: There are various ways to exercise to stay strong and healthy, but a Chinese man decided to take his workout one step further, literally. Zhang Enshun, who hails from Yulin City in Guangxi province, puts on a pair of "iron shoes" and tries to walk. The iron shoes are actually steel plates that he straps to his shoes. He started with one plate and has progressed to four, which together weigh a total of 150 kilograms (330 pounds). He tries to gradually increase the distance he is able to walk in these shoes, and he practices tai chi while doing it. Exercise experts don't advise trying this type of workout without first receiving training from specialists.

Garden community: An intriguing landscape design exists in Nærum, Denmark, in the northern outskirts of Copenhagen. Known as the "round gardens," they are actually oval-shaped allotment gardens, laid out between public housing and traditional housing. This creation was designed in 1948 by renowned landscape architect Soren Carl Theodor Marius Sorensen. Still in use today, the gardens consist of 40 hedge-encircled plots of land measuring approximately 25 x15 metres (82x49 feet), within which an owner can build a cottage and design their own garden plots. The plots do not have driveways leading to them, meaning that inhabitants are encouraged to walk to their cars, which helps them get to know their neighbours in the process.

Pretty in pink: Bruna Carolina Peres, who lives in Brazil's state of Parana, has been nicknamed "Bruna Barbie." That's because she has opted for a lifestyle with a theme that revolves around the well-known Barbie doll. She has become famous on the internet for her posts, which show her living in a world of pink. Almost everything in her house is a shade of pink, including carpets, counters, cupboards, pillows, and bedspreads. She has a few black-and-white pieces and a blue room designed with the male Ken doll in mind. Her wardrobe also is all pink, from jackets to sunglasses and from blouses to belts. Images of Bruna Barbie have garnered millions of online followers, and she earns money from her videos. Peres, the woman behind this media sensation, is a law school graduate.

What's In Your Glass?

HUGE SELECTION with R&R

Alberta Has It All

"Flatlands and rollin' plains, clear blue skies, prairie rains; a tapestry of colours in the fall. Snow covered mountain tops, wheat fields, canola crops; Alberta has it all." This is from our Alberta provincial anthem. That's just a smidge of it, because if we wrote the whole thing, well, you would miss our monthly wit and wisdom. Okay, maybe just our wit (haha).

There's no part in the anthem about our liquid assets. We mean of the alcohol type, of course. We make some wicked products in Alberta.

Nutri Juic'd Blood Orange/ Fruit Punch 6 pk.....	\$13.71*
Blindman Dry Hopped Kettle Sour 4 pk.....	\$14.85*
Strathcona Spirits Seaberry Gin.....	\$49.42*
White Owl Coconut Whisky.....	\$36.09*
Alberta Premium Whisky 1.14L.....	\$35.13*
Rig Hand Double Double.....	\$35.13*

* Price does not include GST or health deposit.

Beer... lots of fabulous beer of every size and type. We're in the spirit of things too with vodka, gin, whisky. Liqueurs, too. How about mead, coolers, fruit wines and pre-mixed cocktails... Albertans make those, too. Come on everybody. Let's celebrate Alberta made products. We've got a ton to salute. Cheers!

Canadian star: Mary Pickford (1892-1979) was born Gladys Smith in the city of Toronto, Ontario. She was a famous actress of the silent screen era. Movies she starred in include *Hearts Adrift* (1914) and *The Poor Little Rich Girl* (1917).

Larry: "That's because it used to be a teacher's pet."

What happens when a dog eats garlic? His bark becomes worse than his bite.
