

Recipe of the month

Valentine's Pop Hearts

1 refrigerated, ready-to-unroll piecrust 1 large egg
4 tsp. raspberry jam

Prep Time: 10 min. Cook Time: 13 minutes Yield: 4

- Preheat the oven to 425 degrees F. Line a jelly-roll pan with parchment paper.
- Unroll the piecrust and cut into 8 rectangles or hearts. Use a small heart-shaped cookie cutter to stamp out smaller hearts from half the hearts (these will be your peekaboo top crusts); brush edges with egg.
- Spread 1 heaping teaspoon raspberry jam in the centre of the 4 solid hearts. Put the peekaboo crusts on top; seal the edges by crimping them with a fork (lightly floured, if needed). Transfer to prepared jelly-roll pan.
- Bake 10 to 13 minutes or until golden. Transfer to wire racks to cool.

Forego the store bought chocolates and impress your Valentine with these treats!

Everybody's Talking

Hard to eat: Sushi can be a colourful and mouth-watering menu item, but anyone who comes across sushi made by a Japanese man named Hama had better watch out. His sushi is made out of stone! Hama got his training at the Joshibi University of Art and Design in Kanagawa, Japan, and his art has attracted quite a bit of interest. The path he took to making these pieces was accidental. He noticed that a piece of red granite resembled a chunk of tuna. After that, he started searching for stones that he could combine in artful ways to appear like various bites of sushi. He uses fine tools and buffing material to create the pieces.

Dog's life: A German countess named Karlotta Leibenstein once had a pet German Shepherd named Gunther III. When the countess passed away in 1991, she left her vast wealth to her beloved pet. Fast forward a few decades, and one of Gunther III's descendants is now the recipient of the deceased countess's growing portfolio. The canine Gunther is CEO of the Gunther Corporation, whose (human) staff manage the fortune, which is worth over \$1 million (USD) today! Gunther lives in a mansion in Miami, Florida (U.S.), and is well cared for by a maid and butler. It's a dog's life for this canine!

Swan song: When Recep Mirzan rescued an injured swan in a field back in 1984, the Turkish man had no idea he'd made a lifelong friend. Mirzan did not want to leave the swan to fend for herself, so he took her home, deciding he would tend to the swan's broken wing. Almost 40 years later, the female bird, which he named Garip, is still living on Mirzan's farm in the Karaagac region of the country. She has her own coop for her nightly sleep, and during the day she follows her rescuer around as he does his chores. Garip has lived a very long time for a swan, probably because she is living in a protected environment rather than in the wild.

Sleeping beauty? People stream lots of things on the internet these days, such as movies, biographies, games, education sessions, and meetings, to name only a few. But streaming yourself sleeping? Seems a little odd to imagine that anyone would be interested. But Wang Yiming, a former member of a Taiwanese Chinese-Malaysian pop group, did just that, and she got a lot of hits. She often streams herself playing video games and participating in online chats, and she has a following. So her fans may not have found it unusual to tune in and see her sleeping. Perhaps they thought she'd wake up and talk to them. Her prank ended up attracting thousands of viewers and generating \$3,000 USD in donations.

SCORPIO (Oct. 24 - Nov. 22)

Are you going back over an old issue regarding your sense of purpose? Scorpios are good at digging up buried truths. Now may be time to find the root cause. Lucky numbers: 12, 13, 18, 19, 26, 48.

SAGITTARIUS (Nov. 23 - Dec. 21)

At this time, it may be easier to address the impact of any old wounds that are holding you back. In doing so, you may find a new image of yourself. Lucky numbers: 1, 3, 9, 12, 22, 48.

Lucky numbers this week: This week's odds favour Sagittarius winners with the luckiest number being 3.

Did You Know...

Turkish dish: A popular meatball dish in Turkey is called kofta, or köfte. The meat can be spicy, and the main ingredient is ground beef or lamb. Kofta comes in different shapes, including long and skinny, walnut-shaped, balls, or patties. Sold as a street food, it can be eaten at home, too.

Red beauties: Northern cardinals are found in various parts of North and Central America. They stick together as pairs and do not migrate. The male is crimson all over, while the female has a bit of crimson among mostly grayish-brown feathers.

Famous wrestler: Abraham Lincoln is most famous for being the 16th president of the United States, but he also had another claim to fame. Before he entered the political ring, he was an accomplished wrestler.

Breath holder: If a crocodile goes underwater, a couple of hours could pass before the animal surfaces again. That is because a crocodile's blood has an efficient method of conserving oxygen.

Name change: In 1919, United States President Woodrow Wilson signed an act to name an area of land in the state of Utah the Zion National Park. Previously, it had been known as Mukuntuweap National Monument.

On the Lighter Side

Those who have the most birthdays live the longest.

First Mouse: "I finally have that scientist trained!"
Second Mouse: "How so?"
First Mouse: "Every time I run through the maze and ring the bell, he gives me something to eat."

Did you hear about the woman who got hurt while taking a milk bath? The cow fell on her.

When does a sandwich have a sarcastic sense of humour? When it's made of wry bread.

Knock! Knock! Who's there? Toad. Toad who? Toad you I knew some good knock-knock jokes.
