Did You Know..

Not lazy: A sloth is far from lazy and slow-moving, at least not when it's in water. Sloths move three times faster in water than on land because they have long, strong arms and can hold their breath for up to 40 minutes.

One long jump: American track and field athlete Mike Powell holds the world record for long jump, leaping 8.95 metres (29' 4.36") at the World Championships in Athletics in Tokyo in 1991.

Shooting for the moon: Golf is one of two sports to have been played on the moon. In 1971, astronaut Alan Shepard hit a golf ball through the low-gravity environment using a sixiron club. Astronaut Edgar Mitchell used a lunar scoop handle to throw a javelin.

Chins unique: The only living beings who can stroke their chins are humans because they're the only ones with chins. While monkeys are a lot like humans, they don't have chins. This point baffles biologists!

Tasty cake: German Chocolate Cake originated in the U.S.
