**Everybody's Talking**

**Abandoned hotel:** Imagine heading to the beach but, instead of finding luxury hotels lining the shore, a derelict old mansion is sitting right in the water. That is what greets visitors to Playa La Puntilla in Costa del Sol, El Salvador, when they saunter down to the water's edge. There are theories about why the pillared, but wrecked, building is there. Some say that it once was a villa called Hotel Puerto Ventura. However, about three decades ago, a hurricane, or perhaps simply poor design, caused the building to shift from its foundation and drift toward the sea. Whatever the reason, the structure sits there as a testament to the past.

**Feel good story:** A coffee shop in Staten Island, New York (U.S.), knows how to go above and beyond the call of duty, without regard to the social status of their patrons. A customer, Janessa Rubino, reported standing in line at the counter when a homeless man came in with a half-gallon jug. He asked the server for water, and the server said to help himself from the cooler. The man then asked if he could also have a meal, as he was hungry. The server obliged and took his order. Amazed by the generosity, Rubino offered to pay, but the server said not to worry: they give him a meal whenever he comes in hungry.

**Living with little:** Who needs all the stuff that's available for purchase in today's society? A woman from Nanjing, Jiangsu, China, doesn't need much at all, and she's proved it by being extremely frugal. Wang Shenai, a married mother of two, was able to save about 90 percent of her salary each month by watching her spending. The family eats in and doesn't dine at expensive restaurants, and the mom only wears second-hand clothing. By saving, she was able to buy two houses. She is a member of a group called Frugal Women's Federation. Growing up poor, she learned to do with less, and continues that lifestyle today.

**Baby bird:** Alesh and Janja of Koper, Slovenia, are the proud parents of...a sparrow! A friend of theirs found the baby bird on the ground and called them for help. The young couple decided to care for the tiny chick, feeding it frequently and providing it with a comfortable cage. They named the little bird "Chibi." As it grew and learned how to fly, they let it take flight around their apartment. When the couple tried to release Chibi, the sparrow took off for a while, then came back to rest on their shoulders. So they let it stay, but they always check to be sure the door to its cage stays open.

**Quoteable Quotes**

"What nature delivers to us is never stale. Because what nature creates has eternity in it." —Isaac Bashevis Singer

"You're either part of the solution or part of the problem." —Eldridge Cleaver

# Your Weekly Horoscope

**ARIES**  
(March 21 - April 20)

At this time, consciously  
using your will might help  
assure a successful out-  
come for you. Nothing  
can be achieved if you  
merely sit on the sidelines  
and wait. Lucky numbers: 12, 16, 31,  
41, 43, 45.

**TAURUS**  
(April 21 - May 21)

An old issue may resur-  
face that brings you in  
conflict with others. View  
the problem through the  
lens of how it is now, not  
how it was then, and  
adjust accordingly. Lucky numbers: 3,  
17, 18, 26, 32, 48.

**GEMINI**  
(May 22 - June 21)

Now may be the time to  
complete an endeavour  
and begin planning your  
next one. However, if you  
are running into obsta-  
cles, figure out how to  
salvage the project and move on. Lucky  
numbers: 4, 5, 7, 15, 28, 38.

**CANCER**  
(June 22 - July 22)

Have you been feeling  
low or discouraged in  
recent days? At the end  
of the week, you may see  
a potential opportunity to  
hit the reset button and  
improve your mood. Lucky numbers:  
16, 19, 23, 24, 36, 40.

**LEO**  
(July 23 - Aug. 23)

At the beginning of the  
week, your natural optimism  
may be dampened. Rather  
than being discouraged, try  
applying your serious mood  
to completing a task that  
could benefit from this type of energy.  
Lucky numbers: 11, 14, 15, 17, 19, 34.

**VIRGO**  
(Aug. 24 - Sept. 23)

Virgos often pride them-  
selves on keeping every-  
thing under control. This  
week you may have to  
accept that some events  
are just beyond your  
control, and wait for things to change.  
Lucky numbers: 10, 17, 20, 24, 29, 32.

**LIBRA**  
(Sept. 24 - Oct. 23)

Your focus may be on  
your career or, more  
broadly, your role in the  
world. If you are looking  
for guidance, look to the  
Libra strengths of diplo-  
macy and consideration of others.  
Lucky numbers: 6, 11, 15, 27, 31, 42.

**SCORPIO**  
(Oct. 24 - Nov. 22)

Have you recently experi-  
enced a sudden or unex-  
pected change in your  
life? Looking for a hidden  
opportunity may be help-  
ful to you in mitigating  
any negative effects. Lucky numbers: 5,  
8, 18, 39, 42, 47.

**SAGITTARIUS**  
(Nov. 23 - Dec. 21)

You may be experiencing  
a conflict between what  
you feel you want versus  
what you need. Perhaps it  
is time for some inner  
dialogue to reflect on the  
most important considerations. Lucky  
numbers: 9, 14, 17, 23, 28, 29.

**CAPRICORN**  
(Dec. 22 - Jan. 20)

Capricorns often prefer to  
let their achievements  
speak for them. Adjusting  
your style may provide a  
chance to successfully  
communicate about some-  
thing that passionately interests you.  
Lucky numbers: 7, 15, 21, 23, 26, 28.

**AQUARIUS**  
(Jan. 21 - Feb. 19)

Have things been flowing  
smoothly for you? This  
moment probably won't  
last forever, so take advan-  
tage of it right now to  
achieve a positive outcome  
for something you desire. Lucky numbers:  
2, 6, 21, 31, 32, 45.

**PISCES**  
(Feb. 20 - March 20)

You may be feeling stressed  
now because you are  
juggling too many things at  
once. This situation could  
pass in a few days. Work to  
communicate clearly, in  
the meantime. Lucky numbers: 13, 16,  
31, 41, 43, 44.

Lucky numbers this week: This week's odds favour Aquarius  
winners with the luckiest number being 31.

## Did You Know...

**Zip it up:** It's hard to imagine life without zippers. The person  
credited with coming up with this invention is American Elias  
Howe, who patented the item in 1851. He called it the "automatic  
continuous clothing closure."

**Light the way:** Norah Head, in New South Wales, Australia,  
is home to a lighthouse of the same name. It was built in 1903  
and was one of the last lighthouses in the country to be staffed;  
in 1995, it was outfitted with a fully automated light.

**Old bands:** Singer Robert Plant and late drummer John  
Bonham of the famous British rock band Led Zeppelin, met in  
1965. They played together in a band called the Crawling  
King Snakes and, later, Band of Joy.

**Canadian game:** In the team game of lacrosse, players use  
sticks with nets on one end to throw and catch a ball, trying to  
get it into their opponent's net. Indigenous peoples invented  
the game. It is the official summer sport in Canada.

**Potato problem:** The Irish Potato Famine started in 1845  
and lasted for several years. A fungus called blight spoiled the  
country's potato crop. The era was also known as the Great  
Hunger because potatoes were a food staple at the time.

## On the Lighter Side

Knock! Knock! Who's there? Yah. Yah who? Yah who, let's  
party!

I went to a fancy English hotel. Or, rather, a great Brit-inn.

Kid: "How do you like your job?"  
Garbage collector: "It's picking up."

Why did the mandolin go to the psychiatrist? It was tired of  
being high-strung.

There's nothing like a meteor shower to rock your world.

## Answers

**Trivia answers:** 1. South America 2. Scrabble 3. Portuguese 4. Daphne du Maurier 5. Tornado intensity

## Fall has arrived and so have the rebates for natural gas

Starting October 1 Alberta's natural gas rebate  
program provides price protection from spikes in  
natural gas costs for millions of Albertans.

From Oct. 1 through March 31, any time the monthly  
default rate exceeds \$6.50 per gigajoule, a rebate will  
be issued to all eligible Albertans to help cover the  
increased costs of the natural gas or other  
petroleum-based heating fuels consumed  
that month.
