Vol. 20 No. 32 August 7, 2023

**Everybody's Talking**

**Handy skill:** Having strong hands is convenient, especially when a lid won't come off a jar. But a man from Germany has taken strong hands to a new level. Muhamed Kahrimanovic, who has earned the nickname "Hammer Hands," broke a record when he used his hands to break 68 baseball bats in just one minute. The man is also able to whack open coconuts using only one hand, crush aluminum cans, and smash glass bottles and slabs of concrete. Kahrimanovic gained his strength because he took part in taekwondo classes when he was a child. At first he was a student and later became an instructor.

**Tree cutter:** A criminal on the loose in the U.S. state of Oregon is going to be in considerable trouble when caught. The culprit is not stealing anything or hurting anyone, but the crime is serious. Since the summer of 2021, someone has been cutting down trees in the forests near the Portland suburb of Gresham. Known as the "Gresham Lumberjack," the person has felled hundreds of trees, and no one knows why anyone would do such a thing. Residents are upset by the destruction, and authorities have increased their efforts to crack the case by using hidden cameras. When the lumberjack is found, heavy fines definitely will be issued.

**Rub it out:** Those who make a lot of mistakes in their writing might want to consider buying something that will make erasing errors easy: the Radar S10000 eraser. Enormous in comparison to the usual small erasers found in desk drawers, this one measures 276 x 141 x 43 mm (10.9 x 5.5 x 1.7 in.) and weighs over 2.2 kilograms (4.9 lbs.). It's part of the popular Radar product line of a Japanese company called Seed. Originally, they made such a large eraser as a prize giveaway. However, consumers showed such an interest that Seed produced more and made them available for purchase.

**Mall skating:** Citi Plaza, a mall in London, Ontario (Canada), is the venue for an occasional but unique event: an evening of roller skating. Put on by Retro Rollers, Inc., and MainStreet London, the ticketed event lets about 400 skaters whiz by store outlets to their hearts' content. It's quite an experience for people who love this retro sport. Instead of walking around and shopping, they are allowed to don their skates in a very large venue. The event also includes a family skate so that little kids don't have to worry about speedsters getting too energetic in their presence. For many, the evening provides hope that the sport will become popular again.

**Quoteable Quotes**

"Don't wait around for other people to be happy for you. Any happiness you get you've got to make yourself." —Alice Walker  
 "If I were to wish for anything, I should not wish for wealth and power, but for the passionate sense of the potential." —Søren Kierkegaard
