Vol. 20 No. 39 September 25, 2023

Everybody's Talking

Straight arrow: If you want to get into an archery competition with someone, stay clear of Lars Andersen because he is bound to come out on top. The Danish archer has proven time and time again that his archery skills are exceptional. For example, he broke a record when he consecutively shot seven arrows through a very small keyhole from 30 feet away. The wee opening, which was located in a door, was less than one centimetre in diameter. Anderson shot his seven arrows with barely a break between each successful attempt. He is also capable of shooting 10 arrows in less than five seconds. He is interested in historic archery and uses traditional methods in the sport.

Furry feel: What if you love cats, but your rented accommodation won't allow pets? Or what if you wish to stroke a cat, but are allergic to felines? Worse yet, what if petting a cat eases your stress, but for the above reasons, you can't have one? Then you might want to try bed linens and blankets made by a Japanese company called Nissen. To help cat lovers who can't have a cat, these products are made with material that feels like a cat's coat. When designing the artificial feline fur, the company asked cat-loving employees to test it for everything from softness to thickness, and even colour. The products in the line, called Neko Feel, sell very fast!

Ardent fan: People in Argentina love soccer, and for many, missing a World Cup soccer game would be a travesty. When the Argentina-versus-Croatia game was set to start on television during the last World Cup, an ardent fan in Buenos Aires realized that the bus he was riding during rush hour would never get him home in time. So, when the driver got off for a minute, the fan took advantage of the moment, jumped in the driver's seat, and hijacked the bus! He drove it as close to his home as possible. Meanwhile, the driver called police, who managed to apprehend the man before he reached his house. After all this, the fan missed the game!

Cell phone theft: Getting your cell phone stolen is one thing, but having 125 of them snatched in a grab-and-run theft is quite another. That happened to an unnamed New York City man. The fellow was a regular at a Fifth Avenue electronics store. He would buy many phones for the purpose of reselling them through his business. At the time of the theft, he had just left the store with three bags of the devices. A car pulled up and two men emerged, demanding the bags. The victim put up a fight, but the thieves got away with one bag, which contained 125 phones worth \$95,000 (USD). Police are looking into the matter.

SERVING ALBERTA'S BUSINESS COMMUNITY SINCE 2005

Your Weekly Horoscope**ARIES****(March 20 - April 19)**

The end of the week may be a good time to evaluate whether your efforts have borne fruit or not. What lessons from your experiences can you pass along to others? Lucky numbers: 5, 9, 10, 14, 19, 48.

TAURUS**(April 20 - May 20)**

A lot of energy is in flux this week, whirling around you. Be conscious of how unexpected information suddenly may come to you. Examine it, but be cautious of acting now. Lucky numbers: 3, 7, 19, 40, 43, 48.

GEMINI**(May 21 - June 20)**

Geminis usually have a quick mind that processes a lot of information from the ether. Energy at the end of the week may ramp up this quality. Be aware of overload. Lucky numbers: 2, 10, 15, 16, 26, 41.

CANCER**(June 21 - July 21)**

Be aware of your mood at the week's end. If you are tempted to argue about something that is irritating you, seeking a more positive approach may be better. Lucky numbers: 12, 14, 17, 18, 33, 44.

LEO**(July 22 - Aug. 22)**

At the end of the week, you may find yourself talking about your values, particularly regarding relationships. Discussions with others now may help you uncover what is important to you. Lucky numbers: 9, 10, 35, 37, 38, 39.

VIRGO**(Aug. 23 - Sept. 22)**

You may find that you encounter opposition to your efforts at midweek. The universe may be asking you to consider how to integrate more intuition into your thought process. Lucky numbers: 10, 13, 15, 23, 28, 48.

LIBRA**(Sept. 23 - Oct. 22)**

Keep your eyes open for a new opportunity at the end of the week. There is a potential for you to clearly and precisely communicate your needs to others. Lucky numbers: 8, 12, 13, 20, 29, 44.

SCORPIO**(Oct. 23 - Nov. 21)**

Scorpios can often come across very intensely to others. There may be an opportunity for you to incorporate more diplomacy into your communications style. How might you keep this going forward? Lucky numbers: 6, 9, 14, 18, 32, 44.

SAGITTARIUS**(Nov. 22 - Dec. 20)**

You may feel an urge toward impulsive action this week. Your desired outcome may be positive for you, but look before you leap. First carefully consider the pros and cons. Lucky numbers: 7, 8, 32, 33, 42, 44.

CAPRICORN**(Dec. 21 - Jan. 19)**

Your Capricorn desire for achievement may receive an extra boost of ambition at the end of the week. Avoid conflict by focusing on areas of common ground with others. Lucky numbers: 4, 18, 20, 37, 46, 47.

AQUARIUS**(Jan. 20 - Feb. 18)**

This may be a good time to begin new endeavours. You may want to ask for assistance from others. Focus on how these efforts can make a difference in their lives. Lucky numbers: 8, 11, 19, 39, 41, 43.

PISCES**(Feb. 19 - March 19)**

The Chinese character for crisis represents both danger and opportunity. Both qualities are potential outcomes for you at midweek. Therefore, wisely choosing your path is important. Lucky numbers: 1, 3, 4, 31, 47, 48.

Lucky numbers this week: This week's odds favour Aquarius winners with the luckiest number being 11.
