## Everybody's Talking

**Colourful castle:** A homeless man in Tournefeuille, France, wasn't going to let his situation get him down. Known as David, the man once worked as an animator and had an eye for design. He decided to ensure that his makeshift home was something special. Using painted foam blocks and other discarded materials, David made what some call a castle in the woods. People in the area accepted the structure, and it became a bit of an attraction. However, authorities decided it was not a safe dwelling, and they insisted that David tear it down. The locals came to his rescue, and the deadline for the tear down was extended, hopefully until a solution could be found.

**Two-team league:** For over 50 years, teams in a football club in England have vied for the championship in their league. But the league has only two teams: the Woolpack Wanderers and the Garrison Gunners. Called the Isles of Scilly Football League, it's thought to be the smallest club of its type in the world. The Isles of Scilly are located off the coast of Cornwall, and both teams call the island of St. Mary's home. They play each other about 17 times per season, battling it out to be the winner. They also vie to be winner of a charity game and a couple of cup competitions over the course of the football season

**Cat psychic:** A cat named Tito went missing from the cargo hold of a Bolivian airline, leading to extraordinary measures to find him. Tito's owner was flying the feline to a pet therapy certification centre, and was quite upset to see the empty cage upon arrival. First, authorities put out plates of tuna to lure Tito out of hiding. Then they hired an "interspecies communicator" to attempt a connection with Tito via psychic skills. Predictably, some jokes are floating around about this somewhat farcical move. The gray-and-white tabby may still be hiding at the airport, or perhaps someone lured him home with a dish of tuna.

**Fake sports car:** Most people think of money or artwork as items subject to forgery. But a man in Asti, Italy, was charged with the crime for using an ordinary vehicle, a Toyota MR2 Coupe, to construct a Ferrari F430 sports car. The fake was made using many original Ferrari parts, including the rims and hoods. Also, he placed logos of the company not only on the inside, but also on the outside of the fake car. The vehicle boasted headlights that looked just like those on the real deal. The country's Guardia di Finanza (Finance Police) asked car experts to check the vehicle and, when they found it was a Toyota, they confronted the owner.

### PISCES

(Feb. 19 - March 19)

## Did You Know...

**Fun for all:** The famous Disneyland theme park opened in Anaheim, California (U.S.), on July 17, 1955. Disney World, in Orlando, Florida, opened October 1, 1971. Other locations have included Paris, Tokyo, Hong Kong, and Shanghai.

**Classic song:** Musician Woody Guthrie (1912-1967) influenced many musicians, including Bob Dylan, with his folk songs about American life. He wrote the famous tune, "This Land Is Your Land."

**First of a kind:** About 270 people attended the first Academy Awards ceremony, held in May 1929 in the Blossom Ballroom of the Roosevelt Hotel, in Hollywood. It honoured films made in 1927-28.

**Root veggies:** Rutabagas and turnips are often interchanged. However, rutabagas are larger with a yellowish skin, while the smaller turnip is white with a more distinct purplish tinge at the top. Rutabagas have a sweeter flavour.

**Recall trick:** People can better remember bits of information by using mnemonics. In music, notes on the treble clef lines are E, G, B, D, and F. Recalling them is easier by saying "Every Good Bird Does Fly."

## On the Lighter Side

Knock! Knock! Who's there? Conrad. Conrad who? Conradulations, that's a great joke!
