## Everybody's Talking

**Salty place:** Anyone who wants to fill a salt shaker, and happens to be near eastern Germany, need look no further than Monte Kali. This mountain of salt, located near the town of Heringen, contains enough of the condiment to fill an infinite number of shakers. The landmark towers over the area and can be seen for miles. The salt started accumulating in the 1970s when potash mining companies needed a place to store sodium chloride, which is a byproduct of the industry. The mountain has become a tourist attraction, with some people even daring to climb to the top of the pile to see the view of the region.

**Mistaken identity:** A Colombian man named Rene Martínez Gutierrez has had his share of trouble, all because of his name. He shares his handle with a notorious criminal from Peru, and the situation has caused him to be arrested and thrown in prison on three occasions since 2010. Each time, this loving husband and father who does not have a criminal record, was detained by authorities because of the mistaken identity. The first time it happened, he was jailed for eight days and the second time for two months. He is now fighting a third detention, hoping that his identity will be cleared, once and for all.

**No time:** Most bank robbers try to grab the loot and run before the cops arrive. Not so for a thief in Salt Lake City, Utah (U.S.), who waited somewhat impatiently for police to arrive and take him to jail. Donald Santacrocce, a sexagenarian, approached a local bank teller and slid her a note asking for \$1. The note even said "please" and "thank you." He told the teller to call the police, and then he took a seat and waited. Santacrocce was eventually arrested, but he did not get his wish to go to federal prison. Instead, he spent a short stint in the county jail. Apparently, the cops didn't take him too seriously!

**Jockeyless winner:** In the horse racing industry, when a jockey falls off, the horse is disqualified from the race. But when a jockey fell off a horse during the Tokay Stakes 2023 race in Nagoya, Japan, the horse went on to finish first! The horse's name is Vanyar, and the unfortunate jockey lost his balance and went flying at the beginning of the race. Instead of Vanyar simply wandering off the course, as jockeyless horses usually do, the determined animal continued on, keeping perfect pace with the others, and speeding up near the end. Although Vanyar's "win" was not legitimate, he earned praises from onlookers for his prowess.

## GEMINI

(May 21 - June 20)

## SCORPIO

(Oct. 23 - Nov. 21)

## SAGITTARIUS

(Nov. 22 - Dec. 20)

## AQUARIUS

(Jan. 20 - Feb. 18)

## PISCES

(Feb. 19 - March 19)

Lucky numbers this week: This week's odds favour Scorpio winners with the luckiest number being 33.
