## Everybody's Talking

Hidden away: Someone who steals a small amount of money from a store probably isn't planning to live in a cave for over a decade to escape prosecution. That is what happened to Liu Moufu of Enshi in China's Hubei province. The man and a couple of accomplices robbed a gas station of 156 Yen, which is only about \$20 (USD). When his co-thieves were caught by the cops, he ran away to a mountain cave, and stayed there for 14 years. Surviving by hunting and stealing food, he occasionally visited his family. Finally, he came out of hiding to face the consequences of his crime, which could include prison time.

Forever marriage: Most spouses opt for traditional Valentine's Day or anniversary gifts, such as chocolates, flowers, or a nice dinner at a restaurant. But that wasn't good enough for a Thai man. He went far beyond the usual expectations by getting a unique tattoo. He asked an artist in the city of Kaeng Kho to make a permanent tattoo on his forearm of his and his wife's marriage certificate. The man's wife, Om-Aim Daraployphan, was thrilled with his choice of a gift, and posted it on social media, where it went viral. For her, the act of getting the tattoo more than proved how much her husband loved her.

Famous face: A World Cup soccer player from Argentina is so revered that a farmer figured out how to make the legend's face appear in a corn field in Los Condores, in central Cordoba province. The player is Lionel Messi, and he is known around the world. Argentinian farmer Carlos Faricelli designed the planting algorithm so that different amounts of seed went into the ground, causing different shadings of green to appear when the plants grew. The result was a huge portrait of the soccer star, which can be seen in aerial photos. A devoted fan, Faricelli let other farmers use his code so that Messi's face could be "planted" in other corn fields.

**Cat came back:** A cat appropriately named Lucky somehow managed to get lost and travel 1,500 miles from her family's home. The orange tabby was seen hanging around Prairie Village, which is close to Kansas City, Missouri (U.S.). Fortunately, Lucky was equipped with a microchip indicating that her real home was in Miami, Florida. More than two years earlier, the feline's owners had reported their pet missing. As time passed, they really didn't think Lucky would be lucky enough to be found. But she was! The owners were thrilled to get the news. However, no one knows how Lucky ended up so far from home
