**Everybody's Talking**

**Screen to sanctuary:** As a teen actress in the 1957 film *Loving You*, newcomer Dolores Hart kissed Elvis Presley, marking her Hollywood debut. Her nine more films hinted at a glittering career. But while portraying St. Clare in *Francis of Assisi* in 1964, she met Pope John XXIII and told him of her role. He proclaimed, "No, you are Clare!" This helped redirect her path. Hart then broke an engagement, bid adieu to acting, and became a nun at the Abbey of Regina Laudis in Connecticut (U.S.). She did attend the 2012 Academy Awards, where *God Is the Bigger Elvis*, a documentary chronicling her journey, earned an Oscar nod.

**Long and lonely road** An amazing road connects Kashgar, China, with Islamabad, Pakistan. The Karakoram Highway snakes its way around mountains and through valleys for 800 km (500 mi.). Without this highway, much of the area would not be accessible. The road was built between 1959 and 1978 through an agreement between both countries. Over the course of the construction, over 24,000 workers dodged mudslides and rockfalls to get the job done. To this day, the road requires considerable maintenance to keep it functioning. Tourists who decide to travel this road are rewarded with beautiful views of mountains, glaciers, and alpine lakes.

**Costly fix:** Hiring a tradesman to come fix something can get pretty expensive these days, but it's not usually something to go berserk about. Not so for a man in Malaga, Spain. The fellow realized he had a broken pipe that needed tending, so he called a local plumber. When the tradesman arrived, he took a look at the job and provided a quote. However, the man was not impressed and got quite angry at the cost of the job. He was so irate, in fact, that he held the plumber hostage. Luckily, neighbours in the apartment building heard the ruckus and called police, who were able to intervene and arrest the angry man.

**Shadowy art:** Can shadows made from cut up cardboard boxes be considered art? To followers of a Japanese man named Kuronushi, the answer is a resounding "yes!" Kuronushi arranges pieces of cardboard in various ways. The seemingly mismatched piles of material don't look like anything unusual. But shine a light on the creations, and the shadows on the wall become art. One of Kuronushi's shadows reveals a pirate ship and, when the pile of cardboard is rotated, the ship turns into the pirate Jack Sparrow from the movie *Pirates of the Caribbean*. The artist also created Harry Potter shadow art, to the delight of his fans.

**Quoteable Quotes**

"It is only in sorrow bad weather masters us; in joy we face the storm and defy it."  
—Amelia Barr

"If you have a garden and a library, you have everything you need."  
—Cicero

## Did You Know...

**To the grave:** In ancient Egypt, the dead took their recipes to the grave with them, literally. Researchers have found hieroglyphs on the walls of tombs that depict recipes for food, believed to have been used as references for the afterlife.

**The john:** Societies use many names for the word toilet, but one of the most popular is "the john." That's because Sir John Harrington designed the first flushing toilet in 1596. He was one of Queen Elizabeth I's godchildren.

**Started early:** American Selena Gomez, born in 1992, has become one of the biggest stars of her generation. She got her acting start at a young age, appearing on the children's television show *Barney and Friends* from 2002 to 2004.

**Big headache:** World War II Italian dictator Benito Mussolini wouldn't eat mashed potatoes. That's because he claimed they caused him to have migraine headaches.

**Donut lovers:** Canadians really like their donuts, those round, yummy, sweet, spongy cakes with a hole in the middle. In fact, Canada boasts more donut shops per capita than any other country in the world.

## On the Lighter Side

I tried archery, but didn't like it. There were too many drawbacks.

Mutt: "I wish I were in your shoes."  
Nutt: "Why would you want to be in my shoes?"  
Mutt: "Mine have holes!"

Why did the hedgehog say, "Ouch"? He put on his coat inside out!
