Everybody's Talking

Retired flavours: Ben & Jerry's, renowned for its offbeat ice cream, adopts a unique approach to discontinued varieties with their "Flavor Graveyard." Located at the Ben & Jerry's Factory in Waterbury, Vermont (U.S.) and also pictured on a dedicated page on the company's website, the Graveyard features granite headstones with epitaphs honouring the legacy of "dearly de-pinted" flavours. The Graveyard started in 1997 with only four flavours but now lists 35 like Wavy Gravy, Dublin Mudslide, Economic Crunch, and Holy Cannoli. The Flavor Graveyard attracts visitors from across the world, allowing ice cream enthusiasts to pay respects to retired recipes. Recently, the flavour What a Cluster was laid to rest with an actual ceremony.

Furry heirs: One wealthy woman in China seems to love her pets more than her three children. The Shanghai woman, with the surname Liu, has an estate worth \$2.8 million and wrote a will to leave her fortune in the care of a local veterinarian appointed as the will administrator. The vet is responsible for the care of her pets. The woman was motivated to make the unusual choice because she claimed her offspring seldom contacted her and didn't visit or care for her when she became ill. Liu had wanted to leave her money directly to her pets, but that was illegal.

Big find: A diamond about the size of a candy gumdrop was discovered by a French tourist visiting the Crater of Diamonds State Park in Murfreesboro, Arkansas (U.S.). The man had experience panning for gold and searching for ammonite fossils, so he knew how to go about things. He rented a diamond hunting kit from the park and set to work. A recent rain had washed away dirt and uncovered heavy rocks, leaving minerals and diamonds lying near the surface and making the search a bit easier. He intends to have the brown, 7.46-carat rock cut into two diamonds, one for his fiancée and another for his daughter

Lost wallet: A Chicago woman who lost her wallet during a visit to Arizona had it returned, 29 years later! A man from Mesa, Arizona (U.S.), was diving and kayaking in the Salt River not far from the Goldfield Mine in Apache Junction. He was with six family members when he found the wallet, about 15 feet (4.5 m) below the surface. Spending time on the water is the family's favourite pastime and they often find rings, jewelry, and fishing rods. But this time they were glad to see that the wallet included a driver's license, which allowed them to search online for the owner, and eventually return the wallet to her.

ARIES

(March 20 – April 19)

TAURUS

(April 20 – May 20)

The potential exists, early in the week, for you to uncover an opportunity. This may come to you out of the blue or may require you to take a leap of faith. Lucky numbers: 1, 11, 32, 35, 37, 44.

GEMINI

(May 21 – June 20)

Are you having trouble making a choice about something important? The answer may become apparent if you use your belief system to examine the situation. Lucky numbers: 13, 16, 18, 28, 40, 48.

CANCER

(June 21 – July 22)

Your head and heart may be out of sync at the end of the week. Try not to let the dissonance negatively impact you, since this phase could pass in a few days. Lucky numbers: 5, 7, 22, 37, 43, 46.

LEO

(July 23 – Aug. 22)

At the start of the week, your unconscious may reveal information that may be upsetting to your self image. How can you integrate rather than fight this insight? Lucky numbers: 1, 3, 8, 24, 41, 46.

VIRGO

(Aug. 23 – Sept. 22)

Your natural work and communication style may be "slow and steady wins the race." But this week, the energy might help you pick up the pace with success. Lucky numbers: 2, 12, 23, 30, 32, 47.

LIBRA

(Sept. 23 – Oct. 22)

Your feelings may be particularly intense early in the week. Is an underlying issue begging for a resolution? How can you use these emotions to facilitate change? Lucky numbers: 10, 18, 21, 26, 30, 45.

SCORPIO

(Oct. 23 – Nov. 21)

If you set new goals during your birthday month, this may be a good week to consider completing projects that support those objectives. Lucky numbers: 11, 13, 18, 25, 27, 38.

SAGITTARIUS

(Nov. 22 – Dec. 21)

CAPRICORN

(Dec. 22 – Jan. 19)

If you have been working hard and are running out of steam, hang on for a little bit longer. At the end of this week, help may be on the way for a few days. Lucky numbers: 15, 16, 39, 42, 43, 47.

AQUARIUS

(Jan. 20 – Feb. 18)

Are your endeavours out of sync with your highest ideals and values? Now may be a good week to forge a new path that gets you back on track and in alignment. Lucky numbers: 16, 18, 19, 33, 38, 39.

PISCES

(Feb. 19 – March 20)

Translating ideas from the ethereal realm onto this plane can be a challenge for Pisces. The energy this week may help you, so try to take advantage of it. Lucky numbers: 3, 10, 12, 13, 21, 33.

Lucky numbers this week: This week's odds favour Taurus winners with the luckiest number being 11.

Waiting for visitors: During Canada's 1967 centennial, the town of St. Paul, Alberta, celebrated by building the world's first UFO landing pad. No extra-terrestrial visitors have been sighted, but thousands of humans have taken a look.

Indoor plant: Indoor gardeners might want to try growing a bamboo plant. These attractive plants like indirect light and don't need much water. Avoid using water with fluoride and chlorine. Bottled is the best choice.

Crispy snack: A traditional Portuguese dish is *bolinhos de bacalhau*, also called *pastéis de bacalhau*. These are fritters made with cod, potatoes, onions, eggs, parsley, and spices, then deep fried.
